

XL DF DE-FOAMER

**Concentrated High-Solids
Silicone Based De-Foamer
Kills Foam Instantly**

Tech Data Sheet

XL DF De-Foamer is formulated to kill foam in auto scrubbers / extraction recovery tanks. Ready to use, no mixing required.
NOTE: Before handling or using, read and understand label and current material safety data sheet for this product.

WHERE TO USE

For use in solution recovery tank of hot water extractor, pour 1-4 ounces of **XL DF** (per gallon of solution recovery tank capacity) into the recovery tank or directly into vacuum hose of extractor.

For use in solution recovery tank of automatic scrubbing machine tank, pour 1-4 ounces of **XL DF** (per gallon of solution recovery tank capacity) into the recovery tank or under floor squeegee assembly.

DIRECTIONS FOR USE

XL DF's specialized formulation is designed as an anti-foaming agent to be used in carpet cleaning hot water extraction solution recovery tanks.

XL DF acts quickly to eliminate foam in hard floor maintenance automatic scrubbing machine recovery tanks.

TECHNICAL SPECIFICATIONS

COLOR:	White Liquid	TYPE:	N/A
FORM:	Liquid	SOLID CONTENT:	N/A
SCENT:	Low Odor	INITIAL GLOSS:	N/A
pH:	7.0 - 8.0	RECOAT DRYING TIME:	N/A
FLASH POINT:	None	COVERAGE:	N/A
FOAM:	None	LEVELING:	N/A
VISCOSITY:	Water Thin	SLIP COEFFICIENT:	N/A
STORAGE (Unopened):	1 Year @ R.T.	REMOVABILITY:	N/A
BIODEGRADABLE:	Yes	SCUFF RESISTANCE:	N/A
WEIGHT/GAL:	8.4 lbs.	DETERGENT RESISTANT:	N/A
SHIPPING CLASS:	None	HIGH SPEED BURNISH:	N/A
PACKAGING:	4 x 1 Gal. Case	DILUTION:	Ready To Use
