Solvent for Ink Removal

Ready to use
Commercial Grade
For Professional Use Only
Read All Instructions and Precautions Before Using

Also available
EDIC Bravo 300 MH
Spot Extractor

16 oz

How To Use:

Pre-test in an inconspicuous location before using. Do not use on solvent-sensitive surfaces (such as some plastics). Use with caution on delicate natural fabrics. Always pretest on painted surfaces.

1. Apply directly to spot. Do not over-apply.
2. Blot gently with soft towel. Do not rub. repeat as needed.
3. Dry extract area with wand (do not use water) or blot with clean dry towel.
4. Rinse with GRAB® VDS to remove residues and prevent resoiling. (If desired, a second rinse with water may be done) Brush fabric to align fibers.

Note: Some inks are permanent. No product can remove all types of ink.

pH: N/a
