

A safe, yet powerful spotter. This thickened spotting solvent removes a wide variety spots such as asphalt, tar, gum, auto grease, oil, food oils, crayon, lipstick and oily cosmetics.

Specialty Spotting, Cleaning Solution

GRAB Gel Spotter

Safe and Effective Gel Spotter with Time Release Formula

Ready to use
Commercial Grade
For Professional Use Only
Read All Instructions and Precautions Before Using

How To Use:

Ready to use. Shake before using. Pretest in a small inconspicuous area. Sponge or scrape up any surface material. Do not use on solvent-sensitive surfaces. Use with caution on acrylic plastic.

1. Apply GRAB® GEL Spotter. Avoid over-application. Do not use in contact with latex backing of carpets.
2. Allow 2-5 minutes contact time.
3. Blot or scrape gently to remove. Repeat if necessary.
4. Rinse area with GRAB® VDS to remove residues and prevent resoiling. On fabric materials, brush to align fibers.

pH: 4.0-5.0
