Lipsticks

and can be used on many types of textiles.

Specialty Spotting, Cleaning Solution

GRAB APG

Adhesive, Paint and Grease Remover

Ready to use
Commercial Grade
Multi-Purpose Non-Volatile Dry Solvent
For Professional Use Only
Read All Instructions and Precautions Before Using

How To Use:

For spot extraction on residential and commercial carpets.

Ready to use, do not dilute. Do not spray or apply directly to carpet or fabric.

Pre-test in an inconspicuous area for color fastness and surface stability. Keep away from acrylic plastics, finished wood or other solvent-sensitive surfaces. Use with adequate ventilation.

1. Scrape up any solid material. Apply GRAB® APG directly to clean white absorbent cloth.
2. Blot or tamp to remove soils on fabrics. Do not rub. Heavily soiled areas may need light brushing. Work from the outside to the center of larger soiled areas. Repeat as necessary.
3. Rinse with GRAB® VDS to remove residues and prevent resoiling. Brush fabric to align fibers.

pH: N/a
